

Subject: New MRI Construction Complete

Ben,

Jimmy recently finished a project for me and I wanted to write you a quick note telling you how exceptional he was. I have dealt with a lot of contractors and your company has by far exceeded any expectations that I had.

Jimmy was consistent, available, and responsive to my every need. He was nice to other tenants and building management and made sure he was accommodating at all times. Jimmy is a huge asset to Fry.

I am happy to discuss further if needed.

Best,
