Ben,

I wanted to share with you some of the final images of work completed at the BSW Brenham MRI Project.

Holden was great, everyone onsite loved his outstanding dedication and commitment to this job. The professional services provided by Holden made the unbearable situations we encountered on this project, bearable, we thank him for that.

Holden is a nice asset to your company; I wanted to thank you for allowing his services and expertise shine on this project.

Please let me know if you have any questions.

Thank you,

Edna L. Moreno
