

Doctors Hospital of Dallas

Now that the 'dust has settled' I wanted to write to thank you and your staff for the wonderful job you did on installing our new 1.5 Siemens MRI unit. I was impressed that your staff adhered to the schedule throughout the project and they were extremely professional from start to finish. Also, you came in as budgeted and there were no surprises. What more can you ask for!

We look forward to working with you in the future on our other remodeling projects.

Sincerely,

Janis Roberson
