Bruce Fry
c/o Fry Construction
3212 Commander Dr.
Carrollton, Texas 75006

Dear Bruce:

I wanted to thank you for the excellent work you have done on our imaging center.

I especially want to thank you for your completion prior to the actual due date. The fact that the project was complete within the budget and with no change orders by the contractor was excellent.

The staff was minimally disrupted and the construction was kept as clean and quiet as possible.

I think you have done an excellent job and would use and recommend Fry Construction again in the future.

Thank you again for the professional work your organization has shown us.

Sincerely,

James B. Montgomery, M.D.
